MOTION TO UNSEAL SEARCH WARRANT

The United States Attorney respectfully moves this Court to unseal the search warrant application and supporting affidavit filed on March 26, 2013 under magistrate case number 13-6047-LTS. In support of this motion, the government states that these materials are called for by automatic discovery, and as the warrant has been executed and did not lead to the location of the defendant, there is no longer a concern that public disclosure of the search warrant could jeopardize the purpose of the warrant.

Respectfully submitted,

CARMEN M. ORTIZ
United States Attorney
